Valiant Cardiopulmonary!

Where you can receive valuable information about your lungs.

Under OSHA Regulations:

[1910.134\(a\)\(2\)](https://www.osha.gov/laws-regs/regulations/standardnumber/1910/1910.134)

A respirator shall be provided to each employee when such equipment is necessary to protect the health of such employee. The employer shall provide the respirators which are applicable and suitable for the purpose intended. The employer shall be responsible for the establishment and maintenance of a respiratory protection program, which shall include the requirements outlined in paragraph (c) of this section. The program shall cover each employee required by this section to use a respirator. For more information visit:

<https://www.osha.gov/laws-regs/regulations/standardnumber/1910/1910.134>

Valiant Cardiopulmonary offers you a compassionate, caring, qualified therapist that will keep your physical and spiritual health a first priority.
